Please be advised that this analysis is generalized, does not purport to be all-inclusive and does not factor in many of the financial and personal aspects one should take into account when electing to purchase real property. The potential purchaser must analyze this investment based upon its own analysis, including, without limitations, its own tax considerations (including current and future tax laws), recapture of depreciation, ultimate sales price and market considerations. These items must be evaluated by a qualified CPA, attorney or other consultant when making the decision to purchase. RHCRE makes no representation or warranty with respect to the accuracy or completeness of the information provided herein.
